

**DHL Global Forwarding (Canada) Inc.**

## **Ocean Freight – Trans-Pacific Eastbound Trade (Asia to Canada)**

### **Peak Season Surcharge (PSS) effective August 1, 2013**

Dear Valued Customer,

In accordance with the ocean carriers' notices on peak season surcharge, DHL Global Forwarding (DGF) will implement the following PSS effective August 1, 2013.

Effective: 1st Aug 2013

US\$320/20'  
US\$400/40'  
US\$450/40HQ  
US\$506/45'

LCL (Less than Container Load) PSS amount is indicated below with same effective date of FCL:

US\$8.00 w/m for LCL freight to Canada

As always we are working with our carrier partners to mitigate the effect of any surcharges while maintaining the DGF commitment to service and allocations. As we progress in our negotiations over the coming days and weeks, we will keep you informed and update you on the applicable surcharge. Meanwhile should you have any comments or questions please contact your local sales representative as they will be able to assist you with any concerns you may have. From all of us at DHL Global Forwarding we truly appreciate your business.

Sincerely,
