

IMPORT EXPRESS ONLINE— SIMPLE AND SECURE

importexpressonline.dhl.com

One company. One invoice in one currency. And now one online solution to simplify your imports.

TAKE FULL CONTROL OF YOUR IMPORTS.

Quickly and accurately prepare and manage your shipments with secure account details and shipment visibility with Import Express Online.

Import Express Online is designed to coordinate effective communications between Importers and Shippers—*wherever you are, directly via the Internet*. It gives Importers full control of their imports while enabling Shippers to prepare and manage their shipments.

Benefits:

- Prepare your import shipments online in just a few clicks, including e-mail instructions for the Shipper, waybills, invoices, and arrangement of pickups.
- Keep your DHL Import Express account number completely confidential as shipment instructions are sent to your suppliers while keeping your account information secure.
- Optimize communications and visibility as all waybill numbers and related shipment data are easily accessible by all parties involved.
- Check the delivery status of shipments at any time during the import process.
- Cut down on paperwork thanks to the fully automated process.
- Prepare and manage shipments online 24/7.
